7. Terms of Payment

7.1 Harsco Metals may invoice the Buyer for the Price –

7.1.1 on or at any time after delivery of the Goods; and

7.1.2 in the case of the Buyer failing to give Harsco Metals adequate delivery instructions or wrongfully failing to take delivery of the Goods, on or at any time after Harsco Metals tenders delivery of the Goods.

7.2 Subject to clause 8, the Buyer shall pay the Price (in cash or cleared funds) on receipt of Harsco Metals invoice in respect of the Goods.

7.3 Harsco Metals may recover the Price notwithstanding that delivery may not have taken place and the property in the Goods has not passed to the Buyer.

7.4 The time for payment of the Price is of the essence of the Contract.

7.5 Receipts for payment will be issued only on request.

7.6 The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off (including equitable set-off), counterclaim, discount, abatement or otherwise.

8. Credit

8.1 If Harsco Metals has in writing agreed to grant the Buyer credit in relation to any amount due to Harsco Metals under the Contract, the Buyer shall pay the Price on or before the last day of the month following the month in which Harsco Metals invoices the Buyer in respect of the Goods. 8.5 The Buyer authorises Harsco Metals to carry out checks on the Buyer with credit reference agencies and at any time and from time to time provide the agencies with information as to the manner in which the Buyer conducts its account with Harsco Metals. The Buyer acknowledges that the agencies concerned may share this information with other credit

reference agencies and businesses conducting credit or fraud prevention checks on the Buyer.

9. Discounts

Any discount, rebate or the like which Harsco Metals gives to the Buyer on the price of the Goods is given on the basis that -

- 9.1 the Buyer will pay all amounts due to Harsco Metals in terms of the Contract on their due date; and
- 9.2 if the Buyer fails to comply with the provisions of clause 9.1, Harsco Metals may invoice the Buyer for and immediately recover from the Buyer the difference between the price of the Goods invoiced in terms of clause 7.1 and the full price of the Goods as listed in Harsco Metals published price list current at the date the Contract comes into existence.

10. Delivery

- 10.4 The Delivery Date is approximate only and Harsco Metals will not be liable for any delay in delivery of the Goods however caused (including Harsco Metals negligence). Time for delivery is not of the essence of the Contract.
- 10.5 Harsco Metals may on reasonable notice to the Buyer deliver the Goods in advance of the Delivery Date.
- 10.6 Harsco Metals may deliver the Goods in instalments. Each instalment will constitute a separate contract and the termination of any one instalment by the Buyer as a result of a breach by Harsco Metals will not entitle the Buyer to terminate any other instalment or the Contract as a whole.
- 10.7 If Harsco Metals fails to deliver the Goods (or any instalment) for any reason (other than as a result of the Buyer's fault) and Harsco Metals is accordingly liable to the Buyer, Harsco Metals liability will be limited to the lower of –
 - 10.7.1 the excess (if any) of the purchase price (in the cheapest available market) paid by the Buyer for similar goods to replace those not delivered over the Price (of the Goods not delivered); and
 - 10.7.2 5% of the Price (of the Goods not delivered).

10.8 If the Buyer fails to take delivery of the Goods or fails to give Harsco Metals adequate delivery instructions (including any documents, licences or authorisations necessary or required to deliver the Goods), Harsco Metals may –

10.8.2 sell the Goods at the best price readily obtainable and after deducting the following amounts, account to the Buyer for the excess –

10.8.2.1 all reasonable storage and selling expenses;

10.8.2.2 the Price (or part of the Price) still outstanding; and

10.8.2.3 any other amounts due by the Buyer to Harsco Metals, whether in terms of the Contract or on any other account whatsoever.

11. Acceptance of the Goods

11.1. The Buyer shall within 3 Business Days of delivery of the Goods, notify Harsco Metals in writing of –

11.1.1 any Goods missing on delivery; or

11.1.2 any defect in the Goods on delivery which was apparent on a reasonable inspection at the time of delivery.

11.2 If the Buyer fails to give Harsco Metals notice in terms of clause 11.1 of –

11.2.1 any missing Goods, the Goods as set out in Harsco Metals' delivery documents will be deemed to have been duly delivered to the Buyer; and

11.2.2 any defective Goods, the Buyer will –

11.2.2.1 be deemed to have accepted the Goods and will not be entitled to reject them; and

11.2.2.2 be bound to pay the Price as if the Goods had been delivered in accordance with the Contract.

11.2.3 Harsco Metals' liability for any missing Goods in respect of which the Buyer has given notice in terms of clause 11.1 will be limited to replacing the Goods within a reasonable time or (at Harsco Metals discretion) issuing a credit note to the Buyer for the Price of the Goods (or a proportionate part of the Price) against any invoice raised for the Goods.

12. Risk and property

12.1 Risk of damage to or loss of the Goods will pass to the Buyer –

12.1.1 on delivery of the Goods; and

12.1.2 in the case of the Buyer failing to give Harsco Metals adequate delivery instructions (including any documents, licences or authorisations necessary or required to deliver the Goods) or wrongfully failing to take delivery of the Goods, at the time Harsco Metals tenders delivery of the Goods.

- 12.2 Notwithstanding delivery and the passing of risk in the Goods, the property in the Goods will not pass to the Buyer until Harsco Metals has received in full (in cash or cleared funds) all sums due to it in respect of the Goods and all other sums which are due by the Buyer to Harsco Metals on any account.
- 12.3 Until such time as the property in the Goods passes to the Buyer, the Buyer shall –
- 12.3.1 maintain the Goods in a satisfactory condition;
 - 12.3.2 hold the Goods as Harsco Metals' bailee;
 - 12.3.3 store the Goods (at no cost to Harsco Metals) separately from all other goods of the Buyer or any other person in such a way that they remain readily identifiable as Harsco Metals' property;
 - 12.3.4 keep the Goods insured on Harsco Metals' behalf (and at no cost to Harsco Metals) for their full price against all risks to the reasonable satisfaction of Harsco Metals. The Buyer shall on request produce the policy of insurance to Harsco Metals; and
 - 12.3.5 not be entitled to pledge or in any way encumber or charge the Goods.
- 12.4 The Buyer may resell the Goods before the property in the Goods has passed to it subject to any sale being –
- 12.4.1 in the ordinary course of the Buyer's business at full market value; and
 - 12.4.2 a sale of Harsco Metals' property on the Buyer's own behalf and the Buyer dealing as principal when making such a sale.
- 12.5 If a Default Event occurs before the property in the Goods has passed to the Buyer –
- 12.5.1 the Buyer's right to possession of and to resell the Goods will immediately terminate; and
 - 12.5.2 Harsco Metals may immediately recover the Goods.
- 12.6 The Buyer grants Harsco Metals, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or (where the Buyer's right to possession has terminated) to recover them (with such transport and equipment as may be necessary).
- 12.7 Where Harsco Metals is unable to determine whether goods in the Buyer's possession are Goods in respect of which the property has not passed from Harsco Metals to the Buyer, Harsco Metals will be deemed to have sold to the Buyer all such goods of the kind sold by Harsco Metals to the Buyer (but only up the quantity sold by Harsco Metals to the Buyer) in the reverse order in which they were invoiced by Harsco Metals.

13. Warranties

- 13.1 Harsco Metals warrants that upon delivery the Goods will –

- 13.4 The warranty in terms of clause 13.1 does not extend to parts, materials or equipment not manufactured by Harsco Metals. Harsco Metals' only liability in respect of such parts, materials or equipment shall be to transfer to the Buyer (subject to the provisions of clause 13.6) on the written request of the Buyer, such rights as Harsco Metals has and is entitled to transfer under any warranty or guarantee given by the manufacturer in respect of such parts, materials or equipment.
- 13.5 Harsco Metals will not be liable under the warranty in terms of clause 13.1 –
- 13.5.1 if the Buyer (or any other person) makes any use of the Goods after the Buyer has given Harsco Metals notice of any defect in the Goods;
- 13.5.2 in respect of any defect in the Goods arising from any drawing, design, specification or instruction supplied by the Buyer; or
- 13.5.3 in respect of any defect arising from the Goods being used or maintained otherwise than in accordance with the Product Literature.
- 13.6 Harsco Metals will not be liable under the warranty in terms of clause 13.1 and the Buyer will not be entitled to the benefit of any manufacturers warranty or guarantee referred to in clause 13.4 if –

- 13.7 If Harsco Metals is liable under the warranty in terms of clause 13.1 (or any other warranty, guarantee or the like given by Harsco Metals in respect of the Goods), Harsco Metals' liability will be limited to repairing or replacing the Goods (or the defective part) or (at Harsco Metals' discretion) refunding to the Buyer the Price (or a proportionate part of the Price).

13.8 Any Goods replaced will belong to Harsco Metals and any repaired or replacement Goods will be warranted mutatis mutandis (i.e. with the necessary changes) on the terms set out in this clause 13 save that the 12 month period referred to in clause 13.3.1.2 will be calculated from the date of delivery of the original Goods.
